I understand that when this dangerous dog is off my premises I shall not fail to do any of the following: keep that dog on a chain-link leash or tether that is not more than six feet in length and additionally do at least one of the following.

- Keep that dog in a locked pen that has a top, locked fenced yard with fencing that is sufficiently constructed to prevent escape, or other locked enclosure that has a top.
- Have the leash or tether controlled by a person who is suitable age and discretion or securely attach, tie or affix the leash or tether to the ground or stationary object or fixture so that the dog is adequately restrained and station such a person in close enough proximity to that dog so as to prevent it from causing injury to any person.
- Muzzle that dog

I understand that I must immediately inform the dog warden if this dangerous dog is loose or unconfined; bites a person or attacks another animal; or is sold, given away or dies.

I understand that if I move, I must notify the Holmes County Auditor and the Dog Warden for both the old and new address within 10 days.
